RAE Paint is available in 55-gallon drums and 275-gallon totes for GRACO's truck-mounted RoadPak™ Sprayer and other long-line applications.

**PDQ People - Professionalism, Dependability, & Quality!**

### 1 IDENTIFY THE DIFFERENT RESIN SYSTEMS

- Water-base:** Available in regular and fast dry resin systems. Provides ease of clean-up with water. Ideal for striping newly placed asphalt or sealcoat.
- Solvent-base:** Heavier-duty paints that provide better performance over concrete and when restriping existing lines. Ideal for crosswalks, curbs, warehouse aisles, re-striping, and other concrete substrates.

**BEST PERFORMANCE** 

**GOOD PERFORMANCE** 

**NOT RECOMMENDED** 

### 2 CHOOSE THE APPLICATION

Sealcoat (freshly applied)
Asphalt (new)
Asphalt (old)
Concrete
Brick / Masonry
Curbs / Medians
Crosswalks / Stop Bars
Parking Lot Stalls
Airport Runways
Warehouse Aisles
Re-Striping Existing Lines
